

Your School Photographs

Good photographs are easy to use. One of the ways Schools Show promotes your School's presence at our Shows is by using photographs and logos on the website, in social media, in advertising and broadcast media, and in editorial coverage. This year we are asking all our exhibitors to update their photographs so that we can use them even more prominently in our promotional campaigns.

PLEASE NOTE: By supplying photographs and logos you confirm that they can be used by Schools Show for promotion of the Show.
